## WARRANTY

*"Satisfied customers will always be customers"*

We stand behind the quality of our products. In the unlikely event our products fail, warranty will be granted quickly and unconditionally, providing the tools were used for the application intended. Tools used inappropriately or not maintained properly will not be considered for warranty.

No Warranty consideration can be made if the initial inspection shows that the tool has been:

- ▲ Hammered.
- ▲ Heated.
- ▲ Used with any device to create additional leverage.
- ▲ Machined or modified in any way.
- ▲ Used for purposes other than those, which it was designed for.
- ▲ Overstressed or over torqued.

Products such as: ratchets, flex handles, pullers, universal joints, and adjustable wrenches require periodic maintenance and repair. When a tool needs repair due to normal wear and tear, the repair will be at the customer's expense.

### **Products that carry a limited warranty:**

- One-year Warranty      ▲ Torque wrenches and multipliers  
                                 ▲ Toolboxes

### **Non-Warranty Items:**

Due to the nature of the product, the following items are not warranted:

- ▲ Reducing Adapters: 4216, 4206, 4299, 4213, PA2-4A, PA4-2A, PA5-4A, PA6-4, PA7-6, and PA8-7.
- ▲ Impact Universal Joints: P2-140A, P4-140A, P6-140A, and P7-140A.
- ▲ Thread Restorers, extractors, drill bits, deburring tools and screwdriver bits.

The Ingersoll-Rand® and Test Products International® products sold by Gray Tools, are warranted by the manufacturer. Please refer to the warranty documents, which were supplied with the product.

**Please keep your proof of purchase records, which will be required for warranty.**

Gray Tools will be the sole authority in evaluating the tools and determining warranty claims. Gray Tools will be glad to replace tools qualifying for warranty, shipped prepaid to Gray Tools. Gray Tools shall not be liable for any damage or injury due to tool failure.

If your tool qualifies for warranty, please return it to your local distributor, or call our Customer Service department (1-800-567-0518) for a warranty inspection number, and ship the tool prepaid to:
